COVID-19 Protocol (July 1st, 2021):

Preface – the Province of Alberta and Alberta Health Services (AHS) Phases 1, 2 and 3 has been in the state of flux based on numbers of COVID cases, hospitalizations as well as the vaccination numbers. While Alberta is moving to Phase 3 on July 1st, it is SBYC's intention of open up more gradually. SBYC COVID Safety Criteria will continue to be modified pending the results of Alberta's COVID statistics including the Delta Variant of Concern (VOC).

Following are the Safety Criteria to be followed until there is further notice.

- No one may enter the Club if they have any symptoms or associated criteria of COVID**.
- All Members are responsible to follow and ensure their guests follow the Club's COVID policy.
- Respectful distancing is recommended.
- Masking is not required.
- Continued washroom sanitation measures are recommended (wiping sinks, faucets and using paper towels to turn faucets off/on) as well as 20 second handwashing. No more than 4 people at a time in the washrooms.
- Showers will be available.
- The Clubhouse will remain closed however in addition to washrooms and dishwashing there will be limited access to the kitchen. A maximum of 4 people cooking/prepping and 2 people washing dishes (while respectfully distancing).
Or The Clubhouse will also be open for food serving to a maximum 10 people. During food service, the washroom must only be accessed by the side door. Only assigned people may fully access the clubhouse for any necessary maintenance etc.
- Outdoor spaces including Clubhouse deck, BBQs, fire pit will be fully open.
- The Club will be open for social events and sharing food (while maintaining common sense sanitation)
- Sailing and racing have no COVID restrictions.
- This policy does not limit members from practising a higher level of safety. Their decision must be respected.
- On-site disposal of garbage and recyclables are available.

****COVID Self-Assessment**

1. Do you have any of the below symptoms:
 - a. Fever (greater than 38.0°C/100.4°F)?
 - b. Cough?
 - c. Shortness of Breath / Difficulty Breathing?
 - d. Sore Throat?
 - e. Runny Nose?
2. Have you, or anyone in your household travelled outside of Canada in the last 14 days?
3. Have you, or anyone in your household been in contact in the last 14 days with someone who is being investigated or confirmed to be a case of COVID-19?
4. Are you currently being investigated as a suspect case of COVID-19?
5. Have you tested positive for COVID-19 within the last 10 days?
